

BRIDESTOWE PRIMARY SCHOOL

'With Respect and Ambition, We Flourish Together.'

Homework – Summer 2

Barn Owls Year 6

Dartmoor Multi Academy Trust

...everyone in our Trust.

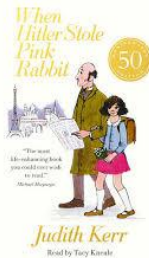

WEEKLY EXPECTATIONS

Reading	Please read with your child at least 5 times per week. In the front of their yellow reading record are some comprehension questions that you can adapt to the book that your child is reading. Please record every time your child reads to you – no matter their age!
Maths	All children are encouraged to practise their times tables on TimesTablesRockStars on a weekly basis at home. Your child has also been sent home with a mathematics folder. Each sheet correlates with the work that they are doing in class that week. Therefore, please only complete the sheet with the correct week on . Some activities may involve using manipulatives and mathematical language rather than written mathematics. Please note down any relevant information you feel a teacher may need to know on this style question. Please return the folder by Wednesday 17th July.

HALF TERMLY PROJECTS

These activities are linked to the children’s wider curriculum learning. Please choose one project from below, complete and **bring into school by Wednesday 17th July** to share with the children in their class.

Book Club / History:

Write a diary entry for a Jewish child who has fled Germany at the start of World War 2.

Science:

Plant some seeds and keep a diary of what you have done to ensure it grows well. Keep records of how much it grows each week. Bring it into school at the end to show your class or a photo / picture.

Geography / English:

Write a speech, using all the persuasive devices we have learnt about this year, on “Why we should save the planet”. Watch Great Thunberg’s speech to the UN for inspiration:

<https://www.youtube.com/watch?v=11FCyUB81rl>

French:

Research a non-European French speaking country and create a profile with information about it’s location, currency, flag, population, climate, religions, traditional foods, famous people from that country.
